

ENGG - - LE MAAR

TRADING & PROJECTS

EST 2018

Introduction

Englemaar Trading & Projects is a maintenance and repairs company that was formed to develop into a company that is able to take on projects which will contribute towards the growth of South Africa. We believe that with our vision it will quickly develop into a household name in the industry.

We trade and supply in any industry. From maintenance on any building to acquiring anything, you might need from mining to electrical supplies.

Who we are

Englemaar Jacob Mkhize (Managing director & CEO)

Englemaar is a graduate in financial science from the University of Pretoria. He has spent time working promotions, in credit departments, logistics, and being a team leader for companies involved in construction, mining, and general maintenance and repairs. Englemaar is a hard-working ambitious individual who prides himself on customer satisfaction and is willing to go the extra mile to ensure that all clients are always happy.

Vision

Englemaar Trading & Projects contribute towards the growth of South Africa. We believe that with our vision it will quickly develop into a household name in the industry.
